

REMARKS

Applicant appreciates the Examiner's review of the above-identified application an indication of allowability of a number of claims. Specifically, the Examiner has stated that claims 32, 35, 37 and 43-45 would be allowable if rewritten to overcome all of the claim rejections noted under 35 U.S.C. § 112, second paragraph.

By the present amendment, applicant has amended the pending claims to overcome all of the objections noted by the Examiner under 35 US C-section 112. In addition, applicant is canceling allowable claim 32 and incorporating that subject matter into independent claim 27. Accordingly, all pending claims should now be allowable. Applicant has also added two new independent claims and several dependant claims along the lines of independent claim 27. All of these new claims should also be allowable as well.

The examiner is invited to telephone the undersigned, applicant's attorney of record, to facilitate advancement of the present application.
